The National Service Scheme (NSS) is a voluntary program launched in India in 1969. The program aims to develop the personality and character of young students through community commitment. The NSS is a youth-led program that encourages students to engage in community service and volunteer work.

The NSS operates under the Ministry of Youth Affairs and Sports in India, and is implemented in universities and colleges across the country. It is a two-year program that requires students to participate in a minimum of 120 hours of community service per year.

Our college also have a NSS team which have conducted many activities in the college as well as many colleges and schools. This team took contribution from students and helps the poor child for thier education. A rally was taken out for 'Har Ghar Tringa' scheme. They also cleaned the beach after the Ganesh Visharjan. Tree plantation was also done by the team for Green INDIA.
